2. *New open access book: Research Traditions in Dialogue: Communication Studies in Latin America and Europe*

- The book “Research Traditions in Dialogue: Communication Studies in Latin America and Europe” reflects on the following questions: What are the possibilities to establish bridges, comparisons and connections between/among Communication Studies in Europe and Latin America? How can we describe, and put into perspective, the research in these two regions? How are they connected, in particular ways, to functionalism, critical thinkings, culturalist currents, alternative reflexions, postcolonial studies and feminist perspectives about the Communication?
